

perler beads

Use these patterns by Kh. Jocelyn Abyad to create some designs! These are based on a 5mm bead size!

Do you like to play with perler beads?
(SOMETIMES THEY ARE ALSO CALLED MELTING BEADS.)
Over at ByziKids headquarters, we think they are so much fun to work with! Use these designs to create your own Star of Bethlehem or Angel Praying and perhaps give them as gifts to your friends this Nativity season. You can also proclaim your status as a true ByziKid with our own perler bead logo! Enjoy making these creations and be sure to send us a picture with your completed designs. We love seeing your creations!
