

# CHOIR PRACTICE

By Sylvia Dorham

## HEAL US, JESUS

Some people are sick  
'Cause it's their cross to bear  
Heal us, Jesus, heal us  
Some people are sick  
And it doesn't seem fair

**CHORUS:**  
Come on, Holy Church,  
We all must pray  
And ask our mighty Jesus  
To heal us.

Some people are sick  
From the choices they made  
Heal us, Jesus, heal us  
Some people feel sick  
When they're lonely and afraid

**CHORUS**

If you pray for your sickness  
And it doesn't go away  
Heal us, Jesus, heal us  
Just run to the church  
And ask them to pray

**CHORUS**

If He doesn't heal us  
What should we do?  
Heal us, Jesus, heal us  
Just live with joy  
Like he wants us to

**CHORUS**
