

Hats

4/15/2026

Sylvia Dorham

CHORUS:

Your hat has a special shape

It gives me a special clue

Your hat, your hat

Maybe tall, maybe flat

Tells who's in charge of you!

Your hat tells me who you are (you are)

Your hat tells me what you do (you do)

When I see your hat

I know for a fact

What to expect from you. (from you)

CHORUS

Men put hats on when they go out (go out)

Take hats off when they come in (come in)

Women cover their hair

When they say a prayer

Now Liturgy can begin. (begin)
