## Do you know the story of Saint Nicholas the Wonderworker?

A long time ago, around the year 260 AD, Nicholas was born in a city called Patara, in the area known as Asia Minor. He was the only child of wealthy parents who dedicated their son to God from the time he was born. He was also very close to his uncle, the Bishop of Patara, who taught him all about the spiritual life.

Nicholas's parents died while he was still young, and he inherited their wealth. Nicholas was very generous with his inheritance, and gave it all to the poor. There is a famous story about how he helped a man with three daughters who could not support his family. At night, Nicholas secretly left gold coins for the family. With this money, his daughters were finally able to be married, as they had hoped!

Nicholas was later chosen to be Archbishop of a city called Myra. He was a merciful and wise leader, full of zeal for the Christian Faith. At one point, he was imprisoned by the emperor for his strong faith in Christ, but even that didn't stop him from teaching people about God! Even during his life, people considered him a saint, and he was known for working miracles, which is why we call him a "Wonderworker." Saint Nicholas died around the year 337 AD. Today, we especially remember Saint Nicholas as an example to us of charity, generosity, wisdom, and zeal.

## The Catechism of The Ukrainian Catholic Church

Have you seen this important book around your house? Maybe your parents or grandparents have a copy. Maybe your catechism teacher has a copy and uses it to prepare classes for you before or after Divine Liturgy each Sunday. Each month we will learn something about this important book.

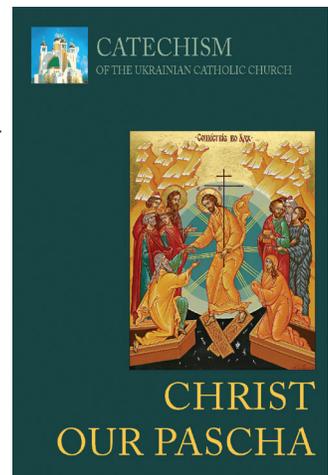

1. What is the name of this book? *The Catechism of the Ukrainian*

*Catholic Church: Christ Our Pascha*. In this book we can learn all about our faith.

2. What is a "catechism"? The word "catechism" comes from a Greek word meaning "to sound down" or "to echo" something. It is the way we pass down to each other the Faith we have learned.

3. Who is this book for? A letter by Patriarch Sviatoslav in the very beginning of this book says the book is for **everyone** - not just priests and nuns but the **laity** also. The word laity means all the rest of us, even kids. Patriarch Sviatoslav is the head of the Ukrainian Catholic Church. We pray for our Patriarch each Sunday during Divine Liturgy. Can you count how many times we pray?

4. How old does a kid have to be before they ask for an "adult" gift for Christmas? Here is one important question for each of you to think about. What will you be asking your parents to buy you this Christmas? Do you want Legos?, Barbie dolls?, A new bike or scooter?, or video games? What are you hoping to find under the Christmas tree this year? We all love toys and there is nothing wrong with that. But how old do you think a kid should be before you ask for an "adult" gift for Christmas? Do you think someday, you should have your very own copy of this book? Do you think it is a book you will have all your life?

# St. Nicholas's Purses

*Serves 8 people*

St. Nicholas is known for tossing bags of gold down the chimney and for calming the storms for fishermen.

Serve these little bags of gold coins along with some baked fish and start a conversation with your family about the great deeds of St. Nicholas on his special day!

## INGREDIENTS

Zest and juice of one orange  
1 tsp grated, fresh ginger  
4 Tbsp honey or maple syrup  
3 cups baby carrots, cut into coins  
½ cup water  
Dash salt  
½ pound of prepared phyllo dough

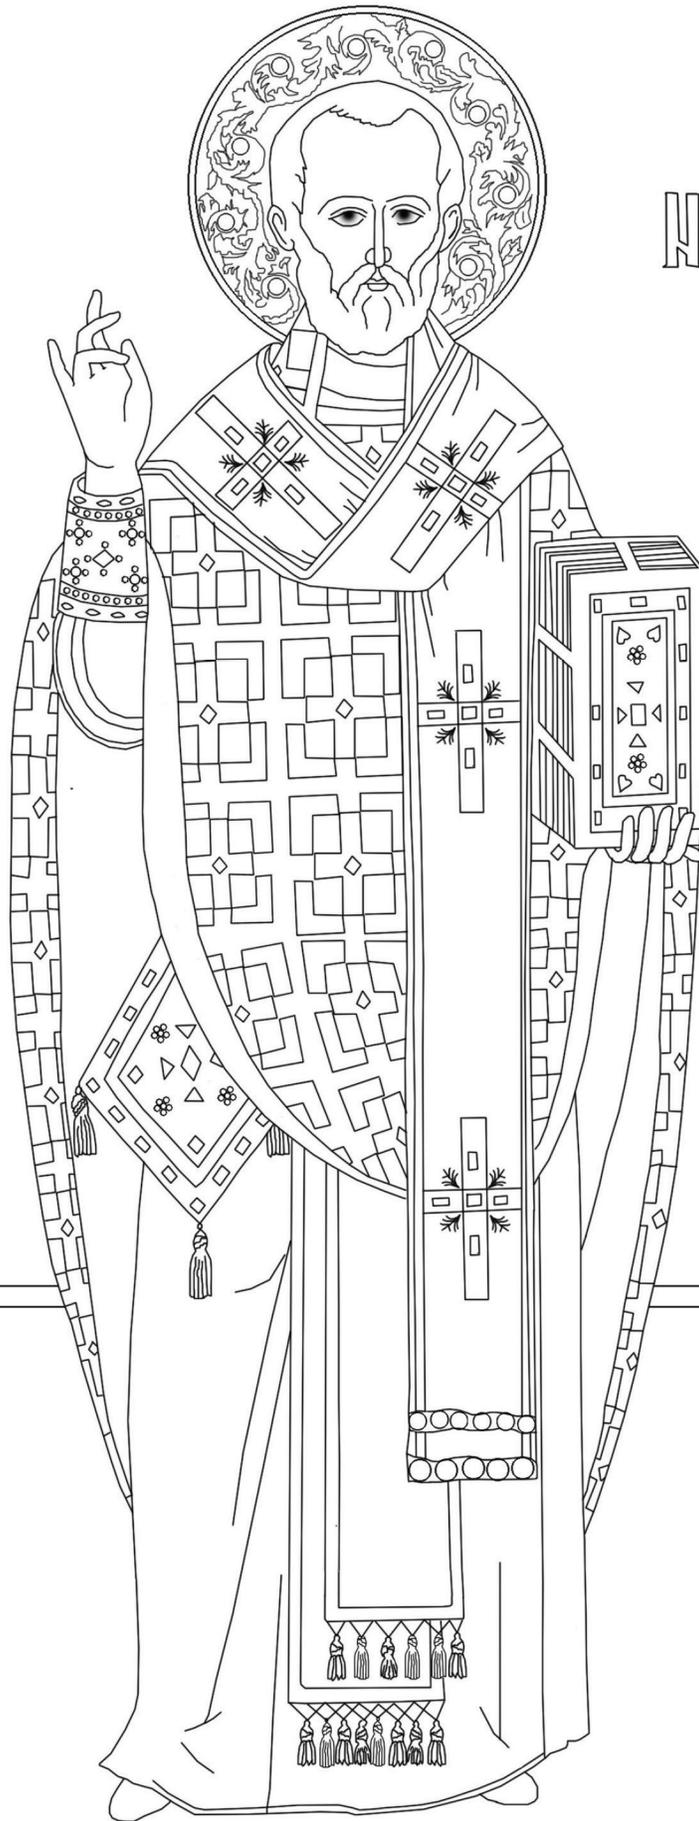

## PREPERATION

1. Preheat oven to 400 degrees
2. Zest and juice one orange and combine both with 2 Tbsp of the honey in a small mixing bowl and set aside.
3. Place diced carrots and 10 long scallions into a saucepan with ½ cup of water and dash of salt and cook until the carrots are just tender and the water has evaporated. Remove the scallions and set them in cold water to use as ties later on.
4. Add the juice mixture to the carrots in the saucepan and stir to coat. Continue to cook for a minute to form a glaze on the carrot coins and remove from heat.
5. Thin the remaining 2 Tbsp of honey with 2 Tbsp of water and set aside.
6. Open the package of phyllo and, working quickly, cut the stack of dough in half, width-wise. Stack six halves for each purse, place a large spoonful of carrot coins in the center, then gather the edge of the dough at the top and twist.
7. Place each purse onto a parchment-lined baking sheet and place into the oven for 15 minutes until browned. Remove from the oven and place each purse onto a serving platter, then tie each one around the top with a blanched slice of leek or scallion .
