

A Commemorative CRAFT from ByziMom.com

He Who Does Not Sleep

NIGHT LIGHT CRAFT

You Will Need:

- A recycled glass jar
- White craft glue & water
- A paint brush
- A photocopy of the image below
- A battery-operated votive candle

Instructions:

Photocopy the image below and cut it out. Add some craft glue to a paper cup and thin it with a little water. Paint the inside of a glass jar with this glue, then while it is still wet, slide the paper into the jar and paste it to the sides, being sure that the image faces outward. You can slide the paper around to make sure it's as straight as possible and work out all the air bubbles. Then allow it to air dry overnight.

Meanwhile, you can glue some ribbon, sequins, or craft jewels to the outside of the jar to decorate it to suit your taste. When everything is completely dry, you can drop in a battery-operated tea light (available at any craft store) and turn it on every night before bed to see the little Lord Jesus, who doesn't sleep watching over you while you do!

Prayer Before Sleep

+In the Name of the Father
and the Son and the Holy Spirit:
+O God, be merciful to me, a sinner.
(3 times)

O Lord our God, forgive all the sins
I have committed this day
in word, deed, and thought,
for You are good and love mankind.
Grant me peaceful
and undisturbed sleep.

Send Your Guardian Angel to protect
and keep me from all harm.

For You are the Guardian
of our souls and bodies,
and to You do we give glory, to the
+Father and the Son and the Holy Spirit,
now and ever and unto ages of ages.
Amen.
